RE Ambassadors' Newsletter 1 Autumn 2021

Dear Parents

Welcome to our 1st Newsletter as your new RE Team. Hannah is our lead RE Ambassador and her team are William, Elliot, Martha and Chloe

Thank you,

Mrs Campbell

We would like to outline our thoughts that we have at the moment for all of the children to take part in.

Harvest Festival

Wansbeck Valley Food Bank will receive all of our donated goods. Please see Hannah's and William's lovely posters for more information. At the moment the following are the preferred items for the foodbank:
Small tubs of buttery spread
Small blocks of cheese
Long life milk
Tins of carrots
Tins of sweetcorn
Packets of potato mash
Tins of rice pudding
Toilet rolls
In addition shower gel, shampoo, toothpaste and small bars of chocolate would be gratefully received.

Last year, we supported the Great North Air Ambulance, Operation Christmas Child, Wansbeck Food Bank and Save the Children. We are wondering if anyone would like to suggest a new charity for us to donate to this year. Chloe has made some example posters for you to look at. If you have a great idea, then please make your poster by 1st November and we will share the ideas in Collective Worship that week. Then we will let you know who our chosen main charity will be.

Operation Christmas Child

The boxes will be collected on the 22nd November. Please see Martha's lovely poster. Mrs Bates has kindly offered to bring in the shoeboxes for our children to fill, so please see one of us to get an empty box! If you wish to donate an item for a shared box please give it to one of our team!

Elliot has also brought to our attention a local charity in Newcastle that is collecting old shoes that are in great condition, to give to those less fortunate than us. If you have a pair you have grown out of please can you bring them into school by 5th November. They will then be distributed to children in and around Newcastle.

Best wishes from us all!
