

Is there an age limit for kids on social media?

Most social media services and apps require users to be 13 years old to join.

WHAT ABOUT APPS?

App stores set their own age ratings based on the app's content.

WHY 13?

This is usually to comply with the Children's Online Privacy Protection Act of 1998 (COPPA)—a US law preventing the collection and storage of personal information from a child under 13.
